This program is open to graduating Dynamix campers who are between the ages of 12-14 years old and are interested in a future in either gymnastics coaching or camp counseling. The Counselor in Training program (CIT) will be held during our 10 weeks of summer camp. Each CIT, if accepted, would be eligible to participate for up to 3 weeks per summer.

This program is selective and progressive. It will give the CITs a hands-on learning approach to gymnastics coaching, spotting, mentoring, camp counseling and more. The goal of the program is to provide participants with the tools they need to become a leader of tomorrow. CITs will focus on leadership and life skills that will help them in the future. By spending a portion of the day assisting counselors, they will develop leadership skills and act as a role model for younger campers. But they won't miss out on the fun!!! After lunch they will be able to participate in all the fun and games camp has to offer.

***All interested CIT candidates must complete the online application [www.dynamixgymnastics.com](http://www.dynamixgymnastics.com) – under the summer camp tab. Ability to attend the Camp training meeting June 5th from 10:30am -12:00pm is recommended. For information about applying to be a CIT, please email [jen@dynamixgymnastics.com](mailto:jen@dynamixgymnastics.com)***
